### The GASTROLAB Endoscopy Image JOURNAL: A Pinnacle in Medical Imaging Excellence

Since its inception in early 2024, The GASTROLAB Endoscopy Image Journal stands as a pioneering publication in the realm of medical imaging. Released every Tuesday, this weekly magazine, accessible at [www.vpress.ovh/journal.htm](http://www.vpress.ovh/journal.htm), offers an unparalleled exploration of various themes, showcasing high-quality images focusing on specific aspects of the digestive tract or diseases.

#### A Global Beacon of Endoscopic Excellence

With an ambitious vision, we aspire for The GASTROLAB Endoscopy Image JOURNAL to be recognized as the preeminent publication in its field worldwide. We invite collaboration from the esteemed medical community to contribute their exceptional endoscopic images, thereby fostering a collective effort to make this journal the most comprehensive of its kind globally.

We encourage individuals possessing noteworthy endoscopic images to submit them to [glabinfo@gmail.com](mailto:glabinfo@gmail.com). Please include a brief caption, a clear indication of permission for publication on our site, and specify whether a copyright sign and your email address should accompany the images. This ensures potential commercial publishers can seek permission directly from contributors for any intended use.
